

Full In-home electric bed

15005 Full Electric Bed, 1/cs

Features: Quiet, smooth operation.

The easy-to-use hand pendant electrically controls the positioning of the upper body, knees, and overall height of the bed frame to provide maximum comfort and versatility for the patient or caregiver.

Side clips under angle iron store shaft when bed is unassembled.

Easy to set up. Back and foot adjustment allow for an anatomically correct sleep surface.

Channel frame construction provides superior strength and reduced weight. Reinforced frame resists twisting and bending.

Zinc coated spring deck. Heavy Duty, vinyl clad bed ends are attractive in any décor and easy to maintain. Head and foot ends are interchangeable with Invacare® and Sunrise®. UL 73 pending.

CSA approved. Manufactured in ISO9001 facility.

Bed ships in two cartons. 450 lb. Weight Capacity.

Warranty: (Original purchaser) Lifetime on welds, 5 years on frame, 1 year on all other parts and components.
